Pyeongtaek International Exchange Foundation

Introduction

Pyeongtaek International Exchange Foundation (PIEF) will be the stepping stone to make Pyeongtaek a city where the locals and foreigners can live together in harmony

PIEF leads the city's globalization by promoting friendship with United States Forces Korea (USFK) and their families, facilitating cultural exchanges with foreigners in Pyeongtaek and encouraging global citizenship.

Pyeongtaek is the only city in the country that has two international community centers. Taking advantage of this strength, PIEF offers top-notch programs that support the exchanges of USFK families and foreigners, and helps strengthen the locals' global capacity.

Furthermore, PIEF will exert its utmost efforts to fulfill its social responsibilities and duties as Korea's leading international exchange organization, and continuously aim to become an organization that is trusted by the locals and foreigners that reside in Pyeongtaek.
